EXPERIENCE

Business of Design Intern, 8/29/17 – 5/18/18
Keith Granet, **Dr. Howard Lichtman** – Hartwick Dr. Oneonta, NY 12820
Worked in interdisciplinary teams under the guidance of alumnus Keith Granet and using content from his two books, *Business of Creativity* and *Business of Design*, to construct an online course composed of a series of lessons that help students entering the design profession.

Web Designer/Developer, 6/1/17 – 7/1/17
Advanced Electrical Services, Inc. – http://advancedelectricalservicesinc.com
Designed and developed a custom website for Advanced Electrical Services, Inc. Worked closely with the client to reflect their brand and target audience.

Teachers Assistant/Tutor, 02/2017 to 5/18/17
Dr. Robert Gann, **Dr. Howard Lichtman** – Hartwick Dr. Oneonta, NY 12820

Assisted other students in *Game Programming* and *Advanced Programming Techniques*.

Web Developer Intern, 12/2016 to 12/2016
Sam Kim - Mack Media Group, LLC 604 Federal Road, Unit 1A Brookfield, CT 06804
Gained an understanding of the process that goes into making a website from start to finish and the various methods that professionals use to get a brand recognized using different *SEO techniques*. Lead developer of the *AMP* website conversion using *Google AMP pages* to develop a new mobile home page for the company.

Student Graphic Designer, 08/2015 to 06/2016
Carol Kelley – 388 Danbury Rd, New Milford, CT 06776
Utilized several of the Adobe Creative Suite programs, such as, *Photoshop*, *Illustrator*, and *inDesign*. Practiced graphic design both in the classroom and in the community.

Student Programming Educator, 06/2013 to 08/2013
Robotics and Beyond – 30 Bridge St #204, New Milford, CT 06776
Developed a curriculum used to teach 7th and 8th graders the fundamentals of programming where the end project was a text-based adventure game written in Java.
