Work Experience

Granet & Associates   Oneonta, NY
Computer Science Intern   August 2017 – May 2018
Worked in interdisciplinary teams under the guidance of alumnus Keith Granet and using content from his two books, *Business of Creativity* and *Business of Design*, to construct an online course composed of a series of lessons that help students entering the design profession.

Advanced Electrical Services, Inc.   New Milford, CT
Web Designer and Developer   June 2017 – June 2017
Worked closely with the client to design an eye-catching website to attract more clients.
Developed *Advanced Electrical Services, Inc.* website using HTML, CSS, and other web technologies.

Hartwick College Department of CISC   Oneonta, NY
Computer Science TA   February 2017 – May 2017
Assisted other students in *Game Programming* and *Advanced Programming Techniques*.

Mack Media Group, LLC.   Danbury, NY
Web Developer Intern   December 2016 – December 2016
Lead developer of the AMP website and applied Google AMP pages to develop a user-friendly and wickedly fast home page for the agency.

Robotics and Beyond   New Milford, CT
Student Programming Educator   June 2013 – June 2013
Developed a curriculum used to teach 7th and 8th graders the fundamentals of programming where the end project was a text-based adventure game written in Java.
